OFT’s Employment and Use of JCAs

- Asked transformation roadmap teams to describe capability/program portfolios in terms of Tier 1 and Tier 2
- Asked transformation roadmap teams for feedback regarding ease or difficulty of assigning capability/program portfolios to JCAs
- Developing tool for the *Strategic Transformation Appraisal* to visually represent links between capability/program portfolios and JCAs
- Participating with OSD/AT&L in the refinement of the Matrix Mapping Tool
- Remind authors of concept and vision documents to use the JCA lexicon to describe and discuss capabilities
